St. Francis de Sales Visual Art curriculum provides the opportunity for children to explore, participate in, appreciate and develop skills using the various art forms. Students are able to develop their creative talents, imagination and self-expression through Visual Art lessons.

Visual Art covers the areas of painting, drawing, construction, modelling, printing, thread, textiles and art appreciation. The program makes links to the Inquiry Curriculum and other curriculum areas offered at St Francis de Sales.

An ‘Arts Night’, which is held biannually, provides the opportunity for students to showcase their talents and bring the whole community together.
