Growing Young in Christ

From the Principal

Dear Parents,

10 Secrets of Wellbeing from Michael Carr Greg

- If you can't change it... change the way you think about it.**
Maybe you need to look at the issue from a different perspective. You need to re-frame your thinking.
- See Life as it is BUT focus on the good bits.**
Re-wire your brain for positive thinking. Scan the world for good things. See what happens when you practice gratitude. You may sleep better. Post positive messages on social media focus on the good things in your world.
- If you want to feel good...DO good.**
Kindness benefits you. Look for ways you can give back to others. Volunteer to help.
- When we are together everything is better.**
Make time to be present with family and friends. Build your friendship network. We are better in communion with others rather than by ourselves. Be part of family, school, community, church or a club.
- Be active... Relax.....Rest.**
We need some exercise start to walk.... aim for 10000 steps. Read a book. Put away the iphone/ipad before bed time. Dim lights half an hour before bed time.
- There is more to life when you stop and notice.**
Take time to stop and practice mindfulness each day. One way is to meditate and pray. Smell the roses!
- Find time to lose yourself in what you love.**
Keep learning a new skill. The more you learn, the better your wellbeing.
- It helps to know what you are looking forward to.**
Create your bucket list and start working on your wish list. Start today.
- Do not compare your insides with other people's outsides.**
Appreciate what you have. Accept your strengths and weaknesses. Accept others. STOP yourself from criticising what is less than perfect.
- The meaning of life is the life of meaning.**
Spirituality has benefits. Having a belief system that transcends the material world has benefits.
Have a wonderful long weekend. See you all on Tuesday 12th March.

'Growing Young in Christ'

Catholic Education Week

Catholic Education Week commences this coming Sunday 10th March and concludes on Sunday 17th March. The theme this year is 'Growing Young in Christ'. A week is set aside to celebrate Catholic Education. This year's theme comes Bishop Peter A. Comensoli who wrote a Spiritual Letter to Christ's faithful of Broken Bay, in the Year of Youth 2018 in preparation for the Plenary Council 2020. As we move through the Year of Youth, we are invited to focus on Growing Young in Christ embracing what this looks like for us as a school community, deepening our understanding of how we grow in faith together. The theme has rich layers of meaning.

Our Catholic faith is something precious, which we pass on to children and young people in our care. Catholic schools, in partnership with families and parish communities, nurture students' faith and assist them to deepen their relationship with Jesus Christ, and through Jesus, the God of the Trinity. This personal relationship with God is fostered through growing knowledge and understanding of the Scriptures and of 'the Faith' handed down through the ages.

In this Year of Youth, the Church calls us to encounter Christ anew and to rediscover and treasure the gift of faith. As baptised Christians, this gift is at the heart of our Catholic identity – an identity grounded in the belief we have in God – Father, Son and Holy Spirit. But this gift of faith needs to be nourished. The Year of Youth reminds us to do this.

A highlight of the annual celebrations is the St Patrick's Day Mass at St Patrick's Cathedral and the concert in the Treasury Gardens, which attracts about 2,000 students. Each year, Christine invites the Year 6 children to write a letter explaining why they should be selected to attend the mass. Ursula and myself look forward to celebrating this day with the Year 6's that have been lucky enough to be selected!

The Visual Arts Exhibition at the Catholic Leadership Centre, Victoria Parade, East Melbourne is also popular with schools, where the best of Catholic children's art is on display. Louise is looking forward to also taking a group of Year 6 children to see the wonderful art pieces from Catholic schools around Victoria.

Keep smiling!

Project Compassion:

Project Compassion is Caritas Australia's annual Lenten fundraising and awareness-raising appeal. Millions of Australians come together in solidarity with the world's poor to help end poverty, promote justice and uphold dignity.

As a school, we take part in raising money for the less fortunate. Each Learning Space has these Project Compassion boxes for families to take home and raise as much money as they can for those in need. Lent is a time for us to reflect, pray, fast and GIVE. We invite families to come into your child's learning space, take a Project Compassion box, and start raising money for the less fortunate! Please advise your child's teacher if you would like a box sent home via their diary. Thank you for making a difference.

Seniors who finish in these places will then be considered for District Athletics. By the end of the evening we will have presentations for the winning House and the House with the most spirit who support their team members. This year we introduce the SFS Gift which will be awarded to our fastest Grade 6 student.

Parents and Friends Association will provide students with a free sausage. A notice will be sent home for you to give permission for your child to receive a sausage. A vegetarian option will also be available. The Parents and Friends Association will be selling sausages for parents and family members who have come along to support their child at the SFS Twilight Sports. We thank the Parents and Friends for all their support!!

Home Group Teachers will inform new students, including Foundation students of the House they belong to. They will also remind other students of their Houses. If you have any queries about Houses please talk to your Home Group Teacher.

Students will be required to wear their sports uniform with a t-shirt in their house colour. Students and families are also encouraged to wear other accessories such as hats, scarves... in their house colour.

Teresa House – Blue

Bosco House – Red
Patrick House – Green

Students will be sitting with their houses under their house tent, supervised by staff. We ask that parents bring chairs, blankets.... to sit on the school building side of the track to watch the various events on the evening. To ensure clear line of sight for supervision and safety, parents are asked not to come over to where children are assembled under the house tents. Teachers at each house tent will sign out your child to you at the end of the sports.

We will also have races for teachers, toddlers and parents!!! So make sure you come and join in the fun!! We look forward to seeing all students and families there!!

Before and After School Care

PLEASE BE ADVISED that that we have child ratios and a limited number of places for children who can attend each day. Educators work according to the number of children booked into care. It is therefore necessary for PARENTS to book children, who are enrolled casually, into care at least 24 hours in advance so staffing can be arranged as required.

ANY BOOKINGS made to our booking number (0411 295 273) received on the day will be subject to availability. Children booked on a permanent basis have priority.

IN THE EVENT of children arriving when we are fully booked, will be sent to the school office. We will inform parents that we are full and cannot accept the children.

DUE TO GOVERNMENT CHANGES in administration all children must be 24 hours in advance by completing the enrolment forms so as family details can be added to the computer system.

A NEW electronic Sign In /Out procedure which requires family, children and authorised nominees details to ensure the safety of your child/ren so they can only be picked up by those on your child's enrolment forms.

THANK YOU for your continued support and ask that you assist us by following the above procedures.

REMEMBER: Term Bookings are charged at a cheaper rate than Casual Care., both casual and booked care where children do not attend will be charged accordingly.

If you have any questions please come and have a chat with one of our team members.

Vacation Care

We will not be offering Vacation Care over the Easter Period. For Vacation Care programs in the area please visit <https://www.childcarefinder.gov.au/>

Have you registered for the CUA School Run yet?

We all know that running is fun, but what would make it even more fun? A little healthy competition. And you cannot have competition without some amazing prizes!!

So if you have not already done so, jump online NOW and register schoolfundraising.com.au.

Please make sure you enter your home group correctly, for example "IH", this is how the online tallies are tracked so it is critical. If you have already registered, but have not recorded your home group correctly, you can go back in and edit it so it is displaying correctly.

Please take the time to do this so your fund raising efforts do get counted in the tally. The forms went out last week, if you have misplaced it please ask the school office for another one.

What is up for grabs?

- ⇒ Raise at least \$1 online, you will be entered into the \$20,000 Ultimate Family Experience – not a bad return on investment!
- ⇒ Every student who raises \$10 or more will receive a reward
- ⇒ The more money you raise, the better your reward
- ⇒ The more you raise, the more you help our wonderful school

The P&F are also offering prizes for the:

- Home Group that raises the most money
- Top 3 individual fundraisers

We really urge all parents to get behind this fund raising initiative and get the children involved too. Talk to them about why it is important and get them ask their relatives, neighbours, family friends etc for donation themselves. Then they can feel a sense of ownership in the process and can be proud of their results. Everyone is a winner here, the children will be keeping active, the school will be raising funds and the students will have the chance to win some great prizes for themselves. So keep Friday 5th April free and come down to the support the kids as they run for their school.

It is still early days but here are the TOP 3 home groups (it is GREAT to see one from each Learning Space) – it is super close at the moment – any class can win so make sure you get spruiking:

1st: LS3 - IH
2nd: LS2 - EM
3rd: LS1 - MJ

Well done to everyone so far—brilliant effort. Don't get left behind, get on board and boost your home group's tally now and let's see if you can get your home group in the Top 3 for the next newsletter !!
