#### Celebrating Catholic Education Week at SFS

We are celebrating Catholic Education Week with the launch of our new website!! Please take a look at our new look website <https://www.sfslynbrook.catholic.edu.au/> Our new website has new features that will provide our existing families with on-going information about our school life. We plan to have newsletters on this site as well. The newsletter will be password protected and you can use the password **sfscomm** to access each week's newsletter. Our new website also has a school app attached to it. You can download the app by following

the instructions on the home page of the website. We will communicate newsletters, provide you with notifications/reminders, give you access to the calendar of events, latest news, quick access to special event reminders and share galleries of photos from school events. For a while we will continue to also use Flexi-buzz as we transition to using our new school app.

We are also about to print new promotional folders and produce a short film.

## Celebrating our Cultures

We had an amazing afternoon today, 'Celebrating our Culture'!!! Thank you to the many mums and even a few dads who dropped by for our first ever parent event to celebrate Catholic Education Week and our rich diversity at St Francis de Sales. We had a very relaxing and FUN afternoon enjoying an assortment of activities. Some looked very relaxed enjoying a reflexology foot or shoulder massage, others had a magnificent henna tattoo while others had their makeup done ready for a Friday night out. Some enjoyed all of the above. There was delicious food to enjoy from a variety of countries. The event was more about making connections, being welcomed and feeling a sense of belonging. From the very positive feedback I think we achieved our dream for this event. As we felt at home the event become a true party and we had several parents get up and dance.

A big thanks to Dalal and Holly from Wellsprings who coordinated with Rachel and myself to plan this event. Thanks to all the helpers from Wellsprings, to staff who dropped by and to the parents who accepted our invitation and made it a special celebration.

We plan other activities during the year, so come and join in if you were unable to attend today. The parents who were there shared their ideas for other sessions.

On Friday 29<sup>th</sup> March is our next gathering – Come and learn about the opportunities for holiday FUN activities. We are also planning a holiday event. Come from 9-10 there will be lots of benefits from joining in.

## Catholic Education Week Mass and Art Show

We had ten students who represented our school at the Catholic Education week Mass at St Patrick's Cathedral today. The children were joined at this Mass by children from schools across the Archdiocese of Melbourne. After Mass the children enjoyed the performances from other schools in the gardens.

We also had an additional ten children join Louise for a visit to the Catholic Leadership Centre to see the Catholic Education Week Art Show. There was art on display from students from Catholic schools. Next year we plan to submit art pieces from St Francis de Sales.

## Staff News

My brother-in-law has been given a few weeks to live and thus as a family my husband and I will be taking the time to visit him. I will be away from school for the next two weeks and Angela will be in charge. Unfortunately I will miss the big activities planned for this fortnight. However this is something I need to do to support my husband and his family. I look forward to returning for the final week of Term 1.

***‘As Jesus prayed, the aspect of his face was changed, and his clothing became brilliant as lightning’.***

***Luke 9: 28–36***

Peter, James and John went with Jesus to pray on a mountain top. The disciples witnessed what we call the transfiguration. This is where Jesus' face became radiant and his clothes dazzling white. Along with Jesus stood Moses and Elijah. The disciples had no idea what was happening and Peter, in his ignorance, suggested that they set up three tents to commemorate the event. As though to correct Peter's misunderstanding, a voice came from the cloud naming Jesus as his son and telling the disciples to listen to him. There was not to be confusion about Moses or Elijah being equal to Jesus nor should Peter have tried to assume control of a holy happening, but rather listen to this holy one.

Parents and older siblings are often in a privileged situation to see a radiant look on a joyful child's face. Maybe it's how they light up when special friends arrive, or maybe the look of delight at a special gift or surprise is

given. What kind of transfigurations have you seen this week either in the faces of your children, friends, co-workers, or even in yourself?

As a family, share places where you have seen change, perhaps in your family and home, school, work place, neighborhood or community. Suggest ways that these changes are transforming for you and others. Jesus marked the end of an ancient age and the beginning of something new. How are the changes you see like the end of something old and the beginning of something new? How are you involved in that change? How are you part of the change Jesus brings?

God Bless!

## **Project Compassion:**

Reminder that as a school, we are raising money for the less fortunate. Each Learning Space has these Project Compassion boxes for families to take home and raise as much money as they can for those in need. Lent is a time for us to reflect, pray, fast and GIVE.

Thank you to all families that have already take a box and begun fundraising. If you haven't yet picked up a box, we invite you to come into your child's learning space, take a Project Compassion box, and start raising money for the less fortunate!

If you are unable to come in, please advise your child's teacher via their diary. Thank you for making a difference.

# VISUAL ARTS EXHIBITION

Some of the Senior students attended a visual arts exhibition in the City. It was a lovely day, and the children had the opportunity to see some amazing art. They also had some relaxing time to draw in the gardens and have fun with the children who went to the St Patrick's Mass and Concert.

## Music News at SFS

### 2019 Senior Choir

On Wednesday 6<sup>th</sup> March, The Senior Choir performed at the Ash Wednesday mass. We were lucky enough to also have a performance from our Wellbeing teacher, Rachel. She sung the offertory hymn and has a wonderful voice.

The Senior Choir have been rehearsing weekly to learn hymns to perform at masses and liturgies. Students selflessly give up their lunch times to come to these rehearsals.

I am very proud of their efforts thus far in 2019 and look forward to hearing them improve throughout the year. There will be an assembly performance in the next assembly in Week 9. More information to be provided shortly. Congratulations and well done! ☺

### Seniors

In Specialist music classes, the Seniors are learning about Music throughout the ages. This unit is correlated to our 2019 Senior Production, Jukebox Jive, which also explores Music through the ages. Thus far, students have had the opportunity to learn about genres, instruments, dance styles and famous songs/artists from the 60s, 70s and 80s.

Students have had the opportunity to explore one specific song and artist from each decade and research interesting facts. Following their research, students have presented and shared this information to build our knowledge as a whole. The Seniors have embraced this unit and explored some favourites including Michael Jackson, QUEEN, The Beatles, The Beach Boys and many more.

### Juniors

In Specialist music classes, students are about elements in Music. Thus far, students have explored the elements of *Pitch*, *Dynamics* and *Tempo*. *Pitch* explores the high and low sounds in music. *Dynamics* explore the volume of music (*forte* – loud, *piano* – soft). *Tempo* explores the speed of music. Students learned the terms '*Largo* – Slow' and '*Presto* – Very Fast'.

Students also have been learning short songs introducing students to Solfege. Students have learned 'Bow, Wow, Wow', 'Blue Bird' and 'Great Big House in New Orleans'. Additionally, students have been learning simple rhythms using un-tuned percussion instruments. Juniors have learned how to use the instruments correctly and how we can use a technique to obtain the best sound.

# 2019 PRODUCTION WEEK 7 UPDATE

### GRADE 5 / 6 INTERSCHOOL SPORTS

Last Friday the students and staff began their training for Interschool Sports.

For the Summer Sports we have: Netball, Tball, Soccer, Kanga Cricket and Volleyball.

They trained for an hour in preparation for our first match today against Tulliallan Primary School.

We will let you know how we went in the next newsletter.  
Good Luck Seniors!

### GRADE 3 / 4 BASKETBALL CLINICS

Through the Sporting Schools Grant we have been able to offer our Grade 3/4 students exposure to a variety of sports. Last year they were involved in Golf Clinics and this year they are participating in Basketball Clinics.

They have four sessions run by a member of the Casey Basketball Association. Not only will this involvement increase student physical activities and skills but also enhance their ability to work with others and as a team.

We have currently submitted a new application with the hope of continuing this Grade 3/4 Program next term.

We will keep you updated of the outcome

Have fun Grade 3/4!

### DIVISIONAL SWIMMING

On Wednesday March 13<sup>th</sup> twenty of our Senior students attended the Divisional Swimming representing not only our school but the Hampton Park District.

We are so proud of them to have made it this far! It has been a real achievement!

*Thank  
you*

LESS THAN 1 WEEK TO GO  
UNTIL SFS TWILIGHT SPORTS!!

Thursday March 21<sup>st</sup>, 2019

5.30 - 8.00

With less than 1 week to go, students and staff are eagerly practising their cheers not only to support their competitors but also to try and win the prestigious House Spirit Shield for 2019! Which House will win this year??? Will Bosco win again or will the shield be taken from them by another House? Only time and practise will tell as each of the Houses gather together on Fridays before second lunch to practise.

Please make sure your child attends as the more students that attend for a House and compete, the more chance that House has of winning the House Sports Shield for the year. Will MacKillop win again or will another House take the prestigious shield from them? We look forward to seeing you all there!

Grade 6 students will have the opportunity to compete in the SFS Grade 6 Gift which is a new race and we have a brand new shield that will be presented to the fastest Grade 6 student on the evening.

Please don't forget to sign off on Care Monkey and indicate whether your child would like a FREE sausage or the vegetarian option. Remember to bring lots of change as the Parents and Friends will also be selling sausages, drinks and icy poles for friends and families.

Look forward to seeing you there!

Lulli and Giuliana

### National Day of Action about Bullying

Friday 15<sup>th</sup> March is National day of action against bullying. Parents, teachers, students or members of the community can turn ideas into action and help deliver a powerful message that bullying and violence are never okay. Teachers were asked to focus on this message in class today to remind children about what bullying is, the role of the bystander and what positive action can take place if they are bullied or see someone being bullied.

**BeYou** St Francis de Sales is a BeYou school. We promote positive mental health. One simple way to have calmness in your day is to practice mindfulness.

Mindfulness means moment-to-moment awareness of one's experience, without judgment.

It's a state of being, rather than a trait. Rooted in Eastern traditions, this non-judgmental awareness encourages us to slow down, focus on the present and accept things as they are.

When we do this, we're less distracted by thoughts of the future and the past, which can often make us worry and stop us from enjoying the present moment.

### Mindfulness is very simple

It's a practical way to notice thoughts, physical sensations, sights, sounds, smells or anything that you might not normally notice. Despite this simplicity, it doesn't come easily to us.

You've probably noticed that children and young people are much better at being mindful. While we might be hurrying them to get to school on time, they'll stop to look at butterflies, flowers or bugs and be immersed in that moment, with no worries about the past or future. As adults, however, we're often thinking about what we need to do next or what we wish we'd done differently.

### M connect and Multicultural activity day

## mCONNECT at SFS- Matters Uniting Mums

Today, we invited the mothers from Prep/One to come along to a multicultural activity day organised through Wellsprings. We began this journey last year with a group of mother's wanting to connect with the school and other mothers.

This group is called **M connect**. Everyone brought along a plate of food to share with a multicultural theme. We had some different activities for the mothers including henna painting, reflexology massage, make up tips and music. We will be meeting a couple of times a term to give mothers a chance to connect with the school, other mothers and discuss what is important to them.

**The next time we meet will be on Friday 29<sup>th</sup> March** and the topic of discussion will be things you can do with your children on school holidays. If you are interested in being a part of the mother's group, please don't hesitate to call the school and speak with me. Thank you to those mothers, grandmothers, aunts and dads who took part in today's activities and discussions. It was a great turn out and lots of fun to be had by all. I had an opportunity to talk to many mums about what things would be of interest to them. I look forward to seeing you and our next group.

### **CSEF - Camp, Sports and Excursion Fund**

#### **Do you have one of these cards?**

If you do, you may be eligible for \$125 for each of your children from the government to go towards your camp fees, swimming fees or excursion fees.

It's easy—just fill out the CSEF form available from the school office and present your current Centrelink Health Care Card or Pensioner Concession Card and we will do the rest for you.

Applications should be completed and lodged with us as soon as possible in term 1. This allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

### **Sibling Enrolments for 2020 are due now!**

It is time for any family currently at the school with a child who will be turning five before the 30th April 2020 to submit an Application for Enrolment.

Applications for siblings are due NOW.

After this date remaining places for Foundation 2020 will be made available to new families wishing to enrol their child into St Francis de Sales.

It is great to hear that many families have already picked up an Application Form. Please drop off the completed form into the Office to Lorenza or Vivienne as soon as possible.
