### From the Principal

#### Electronic Reports

By now you should have received the first electronic school report from St Francis de Sales about your child's progress this semester. If you did not receive an email please check your SPAM mail. The email will come from nForma and not from the school. Please email the office if you did not receive the email.

We hope you like the new electronic report. A Parent Portal Quick Guide was sent home on Thursday 20 June via FlexiBuzz to help you navigate the steps to your child's report. If you have had difficulties accessing the report we will have staff to assist you on Tuesday 25 June between 9am and 11am and again between 3:30 and 4pm.

#### Parent/Guardian Code of Conduct

From time to time we review and update various school policies. This week we have presented our new Parent/Guardian Code of Conduct to the St Francis de Sales School Advisory Board for approval. It is the intention of the St Francis de Sales Primary School Parent/Guardian Code of Conduct to provide all parents with clear guidelines regarding the conduct expected of them whilst on the school premises, communicating with staff and other parents at the school as well as online, engaging in school related activities, attending school events or in any other way representing the school. Parents are expected to uphold the school's core values & expectations at all times.

This Code of Conduct aims to support the school's existing Child Safety Code of Conduct, which further consolidates the school's commitment to providing a safe, supportive and respectful environment everyone for at St Francis de Sales Primary School.

## Our Culture of Respectful Relationships

Among students, staff and parents we strive to develop the following:

a respect for the innate dignity and worth of every person  
an ability to understand the situation of others, a cooperative attitude in working with others  
open, positive and honest communication, the ability to work respectfully with other people  
trusting relationships, responsible actions.

### In promoting and upholding this culture, we expect that parents will:

support the school's Catholic ethos, traditions and practices support the school in its efforts to maintain a positive teaching and learning environment understand the importance of healthy parent/teacher/child relationships and strive to build the relationships adhere to the school's policies treat staff, students and other parents with respect and courtesy.

The full Policy will be sent to you via Flexibuzz. Please come and have a cuppa with me on Tuesday after Morning Gathering if you would like to chat about this policy and ways we can enhance a culture of respectful relationships or call me for a chat on Tuesday. Early in Term 3 all families will be sent this code via Care Monkey and will be asked to acknowledge that they have read the policy and will support the school in promoting and upholding a culture of respectful relationships.

## 2018 Annual Report to the Community

Each year in June, every Catholic school is required to complete an Annual Report to the Community on the previous year's priorities and achievements. Our report has been completed and has been approved for publishing by the Catholic Education Office. The report can now be accessed on our school website under News and Events.

## Baby News

I am very excited to announce the birth of my third grandson Charlie on Monday 17<sup>th</sup> June 2019. Being a grandparent is such unimaginable JOY and I feel very blessed. I look forward to enjoying and treasuring very precious moment of the journey ahead.

## School Closure

On **Monday 5<sup>th</sup> August** we will have a school closure day so that staff can work together on the review and development of a school Vision for the next decade of our school's journey. During the process of developing a Vision we will be consulting with parents, staff, students and our parish community. We look forward to developing a succinct statement that will be at the forefront of our future plans and directions. A vision that captures the essence of what we inspire for our school community at St Francis de Sales.

***“They all ate and were filled”.***

**Luke 9: 11–17**

Jesus continued to teach the crowds that had gathered until late in the day when his disciples came to him and said that Jesus should let the crowd go so that they might find food and a place to stay. Jesus told the disciples to feed the crowd themselves, but they knew it would be impossible because they only had five loaves of bread and two fish among them. Jesus instructed the disciples to divide the people into groups of fifty. Jesus took the five loaves and two fish, blessed and broke them and shared them among the people. Not only was this food sufficient for the crowd but they had twelve baskets of leftovers.

How many meals do we prepare not knowing exactly who will eat them? As the dynamics of our families change, there may be a few more or a few less at each meal. Sometimes we invite co-workers or neighbors at the last minute to join us for dinner, or our children may ask if Joey can stay for dinner! We can be creative stretching a meal to feed a few more or have some really great leftovers for the next day's lunch! However they turn out, our meals are opportunities for sharing love by our efforts in preparation, with those who gather at the table, and the conversation we share as we eat. Mealtime is important for all families, and we need to make every effort to help them become sacred moments of the day.

Who does your family know who is hungry, alone, or does not have enough to eat? Maybe you know someone who fits into two or even all three of these categories. Make an effort to take a meal to them, or better yet, have them share a meal and conversation with your family. Learn as much as you can about their needs by listening carefully to what they tell you in conversation. After the event, decide if there is anything you learned that you might do to help lighten their burden.

Yours in Christ!

## **Feast of the Sacred Heart Mass:**

**Feast of the Sacred Heart mass is on Friday 28th June (Week 10).**

**The mass will be held at 9:30am in LS3. All families are welcome to attend. We hope to see you there!**

*“The supreme happiness of life is the*

*conviction that we are loved”*

We also think about how we can respond to God's gift to us by giving to others who are in need. We are asked to bring, where possible, a gift of non-perishable food, warm winter clothing or a gold coin donation to be placed in the House Team baskets in each LS. These items will then be placed before the altar when we gather together.

## Week 9 Production News

### Production Props

Props are coming along for the 2019 Productions. Last Friday, I was lucky enough to have several ex-SFS students come and help me finish off a yellow submarine (drawn perfectly by our SFS artist, Louise) and a CD wall. The girls worked very hard to finish these off, well done!

If you would like to get involved in creating props at school, I will be working on props every Friday from 11.30am – 12:30pm - just send me an email or let me know in person first.

### Production Costumes (provided by families)

As stated in the letter distributed in the Term 1 Parent Teacher interviews, costumes are to be provided by families. These costumes are not required until the SFS dress rehearsals in Term 3, but with the school holidays are coming up, it is a great time to organise these.

I encourage families to have a look at what children already have in their cupboards. Please ensure that the clothing does not have any logos/labels. Turning shirts inside out is a solution for this. Otherwise, Target, Best n' Less and Kmart are my "go to" places for cheap block coloured tops/pants without logos.

Additional items (such as sunglasses/hats) will be provided by the school on the Production evenings.

If you have misplaced your child's letter, please either see your Home Group teacher or Kristy for another copy.

### Truck/Van Drivers needed

We are still looking for anyone who has a van/truck to

help us move our props on the days of Production: Friday 13th September/ Friday 11th October at 8am. If you are available, please let me know.

### Donations of props

We are still looking for props to be donated. We are looking for beach items for the Junior Production (beach towels, sun chairs, beach balls etc.) and any items that resemble different decades for the Senior Production (old technology - phones, typewriters, lava lamps - any junk you want to get rid of, we'll be happy to keep). Thank you very much to the families that have kindly donated props. The Freni family have been donating on the weekly – an amazing effort!!

# PE NEWS

## GRADE 5/6 LIGHTNING PREMIERSHIP

Unfortunately, due to weather, the Grade 5/6 outdoor sports were cancelled on Wednesday for Lightning Premiership. Volleyball and Netball were the only teams able to play their games as they were located indoors at Casey Leisure Centre.

We congratulate the students and their coaches, Chris for netball and Anthony for volleyball. The results of the day were:

Mixed Netball – 2<sup>nd</sup>  
Girls Netball – 4<sup>th</sup>  
Mixed Volleyball – 5<sup>th</sup>  
Girls Volleyball – 4<sup>th</sup>

Well done to the students and coaches and thank you to Lulli for attending.

## REGIONAL CROSS COUNTRY

We congratulate the four students who attended Regional Cross Country on Thursday: Tate, Keava, Kian and Alex-is. What an amazing effort to make it this far!! Even though the weather was cold, and wet the students represented SFS proudly, doing their best.

Well done!! We are very proud of you and all your efforts, training twice a week before school in the cold and sometimes drizzling mornings. We also thank Lulli and all the staff who assisted with the students' training. As is evident in the results, it made a huge difference.

Lulli & Giuliana

### mConnect with Wellsprings for Women

Last Friday we had a parent work shop with life coach Dr Yasmin Raja. The presentation was all about how Important it is for us to love ourselves, take care of ourselves and take responsibility in our lives for our actions. While we only had a small group, it allowed parents a chance to feel comfortable to open up and share how they were feeling. We are looking forward to having 1 or 2 more workshops in term 3, with dates to still be confirmed. We are going to again offer a school holiday excursion for parents to attend with their children on **Monday 1<sup>st</sup> July**. I will send an invite out on Caremonkey very soon. We are going to the city, to Federation square. We will look at the artwork at the Ian Potter Gallery and the children section of the gallery. We will look

around Federation square and have a walk and explore along Birrarung Marr. We will have lunch and a play at the playground at Birrarung Mar then catch the tram to Parliament station before returning to school. Parents will need to cover the cost of their Miki train tickets and provide their own lunch and drinks. If you would like to come along please email me [rlenko@sfslynbrook.catholic.edu.au](mailto:rlenko@sfslynbrook.catholic.edu.au) with how many people in your family will be attending.

### BeYou

**BeYou** is a framework that looks at mental health. At SFS we are a BeYou school where we value the mental health of the students, teachers and all members of our school community. We will be launching BeYou next Thursday at our specialist day. The children will be signing a contract for us to display in the school that states how important mental health is. For more information visit [beyou.edu.au](http://beyou.edu.au)

This week's fact sheet is on confidence and motivation.

Self-motivated children tend to stick at things for longer

They feel a sense of control over what they're doing and are more likely to take on new challenges. When children feel they can achieve their goals, they feel good about themselves which benefits their confidence.

#### **Children can be more curious about some things compared to others**

Their level of confidence can also vary depending on what they're doing and how they're feeling. Like adults, they can be motivated to do some activities more than others. Sometimes children can be less motivated because they feel tired or unwell or because of their temperament or personal style. This tells us motivation is complex and can be influenced by many factors.

#### **There are many ways families and educators can support children's developing motivation.**

You can provide an inviting and safe environment that can be explored in the presence of warm, caring and trusted adults. You can scaffold children's learning and gradually reduce involvement over time. You can ask children questions, talk them through activities, and praise their efforts.

Remember, motivation doesn't always need to be facilitated by adults – children can be very good at motivating each other too.

### Twilight Market

Our annual community market is on **Thursday 7<sup>th</sup> November** from **5pm until 8pm**. A reminder to all, that expressions of interest are due at the end of this term. I am still looking for donations from local businesses that we can use for a silent auction. Money raised will go towards our school community garden. If you have any questions or concerns, please do not hesitate to contact me.

## GRADE 5/6 SOCIAL JUSTICE ACTION TEAM

### MINI VINNIES NEWS

The 5/6 Social Justice Action Team had a great talk with our guest speakers from the Casey Youth Vinnies Conference, Arnhie and Chantelle. They really clarified what they do in the St Vincent de Paul Society. We played some games and did activities while connecting with each other. We really enjoyed them coming and talking to us about how we can make a change in our community towards poverty, homelessness and financial difficulties.

We look forward to the MAD Day (Make a Difference Day) walk on the last day of school at St John's Regional College, Dandenong. We will be joining our CSYMA (Catholic Schools Youth Ministry Australia) buddies who are Year 10s to walk around Dandenong to make a difference to those less fortunate. We are currently busy gathering donations from our friends and families. All the money we raise will be joined with the money that students at St. John's raise to assist those less fortunate by helping Wellsprings for Women who are located in Dandenong and assist women in need and the Sasallian Foundation who assist those in need overseas. We look forward to sharing with you how much we raise.

Yours Sincerely,

Olivia and Aura

## Specialist Day Pizza Fun Lunch

**Thursday 27 June**

Just a reminder that the Specialist Day Pizza Fun Lunch is coming up on Thursday 27 June at first lunch. Final orders close on Monday morning. There is no cost for this Fun Lunch so make sure your child doesn't miss out by returning the order form to the office **by Monday 24 June**.

**Thank you!**

## Final week of Woolworths "Earn & Learn"

Thank you for supporting our school by collecting Earn and Learn stickers. Please return all stickers to the school by the end of Term 2 so we can count all the stickers over the holidays and submit our tally to Woolworths. If you would like a sticker sheet, please grab one from the office – this makes it easier for us to count the stickers.

We'll soon be able to exchange the stickers for science, technology, maths and arts equipment for the school which all our kids can use.

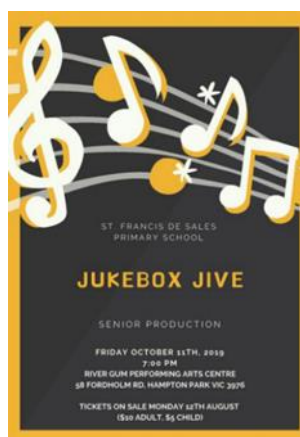

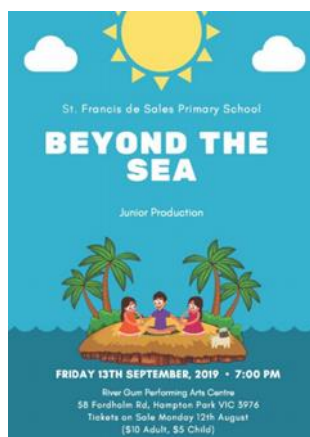

**Let's stick together and make this our biggest collection yet!**

## Red Rooster Fun Lunch Update

Last Friday, many students enjoyed a delicious hot Red Rooster lunch! Thanks to your generous support, the P&F were able to raise **over \$500** and we are thrilled to be able to donate this money to the school to support the **Junior and Senior School Productions**. We know the students have been busy with rehearsals and Kristy has been working tirelessly on the Productions – we are so excited to see all their hard work in action at the upcoming School Productions.

**Keep up the great work!!**

## Fun Run Competition

**A personalised description from the students.**

### What we did when we won the fun run

*"Firstly, we raised \$1,585.25. We received a number 1 badge and decorated cupcakes with popping candy, skittles, m&m's and rainbow strips. We then put stickers on them and put them in a little box. We then played pass the parcel. It was so so fun!!"*

By Toby Cole

*"When we won the fundraising, we first did cupcake decorating. There was so much candy. We got to choose a little bit of candy to put on our plate. When everyone in group IH was done putting candy on their plate, we got to ice our cupcake. When we put the icing on our cupcake, some people got icing on their hands which was very funny. After we decorated our cupcakes, we played pass the parcel. One of the parents played music on her phone while we passed the parcel. We each got a prize. After the game, we got bags full of candy. This was the best day ever! Thank you Mandy and Courtney."*

By Kiara Cabula

*"One Wednesday in term 2, Group IH got to decorate cupcakes because they raised the most money for the school fun-run. IH raised \$1,585.25. We decorated cupcakes with lollies and decorated the box we put our cupcake in with stickers. We were then given a choice if we wanted to eat our cupcakes now or at home. After we decorated the cupcakes, we played pass the parcel and everyone got a prize. The prizes were stationary. Then it was time to go back to school work. It was devastating but then we realised it was home time. IH didn't have to do any work. We all agreed that it was the best day ever. The end."*
