Dear Parents,

### Congratulations

Congratulations to our St Francis de Sales Confirmation Candidates and candidates from our parish of St Kevin's who were confirmed on Wednesday 30 October by the Episcopal Vicar Rev. Fr Brendan Hayes. Thank you to the great team that included our Parish Priest, Fr Desmond, Assistant Priest Fr Dong and Deacon Graeme who concelebrated this Mass.

Thanks to all our staff for their support on the night and prior to prepare the children for this important Sacrament. Special thanks to Rozeta for her coordination that ensured every detail was thoughtfully prepared and organised for a memorable sacramental celebration for all.

# From the Principal

The choir were outstanding. I thank each member of our choir for giving so generously of their time at lunch time almost every day since the production to prepare. Kristy you are amazing and after two successful productions and with limited time you have ensured our choir were ready and able to sing superbly to add to the joyous celebration.

Confirmation is a reminder to us all to stand up and be a beacon of light in our world.

Who will listen if you don't?

Who will speak if you don't?

Who will act for justice if you don't?

**Filled by the joy of the Holy Spirit let us all use our gifts  
to make a difference in the world. One person can make such a difference!**

## Mobile Phone Policy and Smart Devices

Our St Francis de Sales Mobile Phone Policy has been updated and is enclosed with this newsletter. We understand that at times parents of children who walk to school, wish to keep in contact with them before and after school for safety reasons. The policy explains ways we can do this and also ensure the safety and privacy of students during school hours and during school activities and events such as excursions, camps and discos.

Please read the policy that has been ratified by the School Advisory Board. Students who need to bring a mobile phone to school need to complete an 'Application for Student use of a Mobile Phone.' They must agree to abide by the school code for the use of the mobile phone which includes handing the phone to the office switched off and collecting it at the end of the school day. With the support of all parents and staff, we can ensure a culture of safety at St Francis de Sales that protects all our children.

## Sacrament News- Confirmation

On Wednesday, 30<sup>th</sup> October, thirty-four Grade 6 students received the Sacrament of Confirmation at St. Kevin's Church.

Episcopal Vicar Fr. Brendan Hayes confirmed them. Our children not only looked magnificent, they also presented themselves respectfully and reverently during the entire ceremony despite the warm weather.

Many thanks to our Parents and Sponsors who will now continue to support their children on their faith journey.

There will be a special assembly on Friday, 8<sup>th</sup> November at 2:40 p.m. and the P&F committee will be presenting the children with cupcakes to acknowledge our students.

A HUGE thankyou to the Senior Team for all the support with the Sacraments this year.

*'Since the Spirit is our life, let us be directed by the Spirit.'*

Letter of St Paul to the Galatians.

A very special Congratulations and Thank You to the Newly Confirmed and their families for this Wednesday's celebration. It was a joy filled and prayerful celebration shared with family and friends and led by our regional Episcopal Vicar Rev Fr Brendan Hayes.

It is always difficult following a solemn celebration such as this Sacrament to list those to be thanked as there are so many who have given of their time and energy, their talents and skills to enrich the celebration of the Sacrament. Thank you to the parents of the Confirmed who have continually supported their children and walked with them through the time of preparation and continue to show their love and support for all that these children are seeking to do. A special thank you to Rozeta for all her dedication, preparation and constant support of staff, parents and children celebrating the Sacrament. Thank you to the Senior Home Group teachers for their preparation of the children and the staff of St. Francis de Sales who supported these teachers and helped in the shaping of the Liturgy and making sure all was ready for the actual celebration to flow smoothly and reverently.

Thank you to our wonderful Choir led by Kristy for their support of the children and providing hymns that enable the prayerful participation of all. Thank you to our altar servers and their families who willingly gave of their time to be of service to Fr. Des, Fr. Dong and the Vicar for the ceremony.

In trying to say **'THANK YOU'** to all who contributed to the celebration we must say a very special Thank You to Fr. Des, Fr. Dong and Rev. Brendan Hayes. It was a packed church. We did have people standing and yet even with this crowd they called us to prayerful participation inviting us all to enter into the quiet of the occasion and to be open to the presence of the Spirit in our own lives as well as in the lives of the young candidates.

It was truly a joy filled celebration of the presence of the Spirit and a prayerful experience of the life of the parish community of St. Kevin's

Thank you for your continuous trust and support throughout the preparation and celebration.

Blessings!

What a fantastic morning we had yesterday on Thursday 31<sup>st</sup> October for Walk to school day. There was a good number of students, parents and even dogs who turned up to our two meeting points at 8am. It was wonderful to see so many children wearing bright colourful socks, some hand decorated as well as clothes with the colours of the Ghana flag. For those students whose parents drive them to school every day, thanks for making the effort to walk with us on the oval before school. There were lots of happy and enthusiastic faces. We were lucky to have Lottie the lollipop lady and Star man greeting us at the school gates, as well as a representative from Bendigo bank who assisted with donations of fruit and water bottles for the children as they arrived. We even had some fun in the morning playing our own version of "The Masked singer" trying to guess which teacher was under each mascot mask. Many thanks to the teachers who volunteered to assist with the day and walking with children from our 2 meeting points. The winning class and individual students who walked to school the most will be announced at the next assembly.

Thanks to everyone who participated in Walk to school month and lets continue to stay active and build a healthy school community

### BeYou

At SFS, we are a **BeYou** school where we value the mental health of all members of our school community, students, parents and teachers. This week's fact sheet from the BeYou website is on how to practice mindfulness. For those that came to the Resilience project parent night, you will remember the importance of

mindfulness for our mental wellbeing. Being mindful means awareness of your own moment-to-moment internal and external experiences, with gentleness and acceptance and without judgment. It's a state of being that encourages us to slow down, focus on the present, accept things as they are, and act with discernment.

### How do you practice mindfulness?

#### There are two main ways of practising mindfulness

The first is 'formal' practice, otherwise known as mindfulness meditation. This means sitting in a chair doing nothing other than paying attention in a mindful way, whether that's for 40 minutes or doing a mini meditation for one minute. The second way to practise mindfulness is 'informal' practice. This means being mindful in our day-to-day life while we're doing things, for example, paying attention when in class, while driving or washing the dishes.

#### Meditation is a traditional pathway

Mindful meditation can be practised in a variety of ways such as moving attention through various parts of the body (body scan) or concentrating on the breathing. In either case, you're using the sense of touch while observing (but not reacting to) any thoughts or feelings that come up. Simply practise noticing experiences, thoughts and emotions with a sense of curiosity rather than judgment and, if the attention wanders to the past or the future, keep gently bringing the attention back to the body or breathing.

#### Here's how to give breath meditation a try:

- Let yourself be free of any expectations about how the meditation should go
- Adopt a relaxed but upright sitting posture with the eyes closed
- When settled, using the sense of touch, focus the awareness on the breath
- Observe and acknowledge what's being experienced in that moment, without trying to change thoughts or feelings or to solve any problems that arise
- Focus as you breathe at the point where the air enters and leaves the body
- If strong thoughts or feelings arise, practise making space for them without resisting or fighting them, all the while gently refocusing the attention back on the breath

After the time you gave to practise, gently open your eyes, reconnect with the environment, and then gently move onto whatever needs your attention.

You may want to start with five or 10 minutes of meditation once or twice a day and then build it up as you become more comfortable with the practice.

#### It's not always easy, but keep going

You'll find your thoughts wandering and that's completely normal. There's no need to berate yourself when the mind wanders – just gently bring it back to the breathing each time. It's the very practice of repeatedly bringing your attention back to your breath, and learning to be accepting and self-compassionate, that creates a mindful state.

## Student Well-Being

Encompassing: Student Engagement, Student Connectedness, Classroom Climate, Inclusion and Prevention to Intervention.

### **You can practise mindfulness in nearly everything you do.**

You can take a mindful approach to everyday activities, no matter how mundane or simple they might be. The so-called informal practice of mindfulness is easy to build into your day. Next time you have a snack, take your time and focus on the feel, smell, taste and sensation of chewing. You can bring your full awareness to the task of brushing your teeth or washing the dishes.

The beauty of mindfulness is that you can do it anywhere, anytime, with no special equipment required.
