Growing Young in Christ

From the Principal

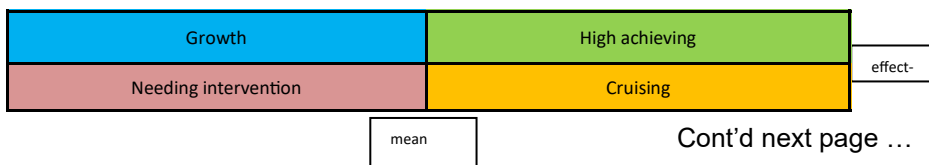

Aiming HIGH – Reaching for the STARS!

What does it mean to aim high and reach for the stars?
Is this in fact possible!!!

In education terms a school can certainly be aiming high and can actually be named as high achieving. This becomes a reality when the mean data for a curriculum area shows above the average result. In addition the effect size which is the amount of growth since the last time the data was collected shows above the average effect or growth in that time period. Using these two measures the Catholic Education Office provides us with where we are placed on a scale using our NAPLAN data. The data that we are particularly interested in is the two year growth for a cohort of students. As the NAPLAN tests occur at Yr 3, Yr 5, Yr 7 and Yr 9, we are primarily interested in the two year growth between Yr 3 and Yr 5 and the two year growth between Yr 5 and Yr 7. The Yr 5 to Yr 7 data particularly tells us how we prepare our students for secondary school and beyond. It tells us how we are going in the senior grades. While the Yr 3 to 5 data points to how well we are going in the junior years.

School data can fall into four areas:

- High achieving – Higher than the mean score and high effect/growth over the two years.
- Growth – Lower than the mean score but High effect/growth over the two years.
- Cruising – Higher than the mean score but low effect/growth over the two years.
- Needing intervention – Lower than the mean and low effect/growth over the two years.

From the Principal

We are delighted by our data:

Curriculum Area	Yr 3 to Yr 5	Yr 5 to Yr 7
Reading	Growth	High Achieving
Writing	High Achieving	High Achieving
Spelling	High Achieving	Cruising
Grammar and Punctuation	Needing intervention	High Achieving
Numeracy	Growth	Growth

The data is testament to the differentiated program we offer that ensures we match the curriculum to the child's readiness for the next challenge. Overall we get all our children moving along the continuum of learning. We certainly prepare our children well for secondary education with a solid foundation to launch from.

Our student data continues to be strong and our 2019 NAPLAN results shows that our students grow and consolidate their learning as they move across the school. In particular the data of our students who move to secondary schools reveals that children from SFS go on to be high achieving students with a growth or effect size that is often higher than the mean of other schools. Our data, particularly our two year growth data, from Yr 3 to Yr 5 and from Yr 5 to Yr 7 reveals we are a high performing school in Writing and Spelling in particular. Our students continue to improve with reading as they go through the school from Primary to Secondary. We are getting great growth in Numeracy. Our Grammar results for 2019 seems to be at odds with results from previous years. We are delighted to see that as students move on to senior primary years and into secondary these results improve in grammar and in fact become high achieving as well.

It is always important that we continue to review and enhance our learning & teaching strategies so that we are innovative and empower our students. Data affirms where we are and what we are doing but it also gives us areas to work on and improve. While we are delighted with our writing and spelling results we will be targeting grammar through focus lessons. We will have a focus in 2020 on Numeracy in our junior grades. We aim to engage our junior staff in a Numeracy Project. In these years it is important not to move to abstract algorithms too early. Young children need to have a strong understanding of number and develop good visualisation and mental computation strategies. Research reveals that rote learning of facts and steps without proper understanding can hamper the development of mathematical competencies as the child moves to senior grades and into secondary school. In the senior years we will target Literacy in 2020 while maintaining our strong Numeracy teaching and Learning strategies.

SFS is certainly aiming HIGH!! Let's work together to support our students to reach for the STARS! Congratulations to our students and teachers.

Staff News

I would like to thank Aoife for a wonderful two terms with us as she filled a short term placement when Imogene went on Maternity leave. Aoife has very quickly become part of our staff and has been an amazing teacher working with our juniors in LS1. Over the weekend Aoife got engaged. We congratulate Aoife and Tomas and wish them the very best for the future. Aoife will be moving to St James Gardenvale as a Foundation teacher in 2020.

I would also like to thank Loredana for stepping into SFS in Term 4 when Claire went on maternity leave. Loredana has been working three days each week with our Seniors in LS2. I thank her for all her work with our Seniors at this busy and important time of the year. Loredana has been appointed as the Religious Education Advisor for the Catholic Education Southern Area Office. We wish her every success in this new role and we may see her working to support our teachers at SFS in this new role.

It is with sadness that I announce that after 7 years at St Francis de Sales, Emily will be taking up a new position at Hillcrest Christian College. Emily has been our senior teacher as well as a member of our leadership team as a senior level leader in recent years. We thank her for her amazing contribution to the education and wellbeing of our children from camp coordinator to space leader, from data analysis to engaging in professional dialogue and curriculum planning. It has been a pleasure working with Emily. She has been a great supporter of our school and given generously of her time to school improvement. It is now time for Emily to expand her experience at a new school. We wish her the very best for her career.

Staff News

We are delighted to announce the appointment of two experienced teachers who will be joining our staff team in 2020. We have appointed Tanya Petersen. Tanya comes to us from St Benedict's Burwood and has over 20 years experience as a teacher. Tanya has had many additional responsibilities which have also included being a curriculum coordinator. We are also pleased to announce the appointment of Laurelle Young. Laurelle will be moving from St Thomas Apostle Blackburn to join our staff. Laurelle is also an experienced teacher with seven years of experience which has also included the role of team or level coordinator. We look forward to the various ways Tanya and Laurelle will support and enrich our learning environment at St Francis de Sales.

During 2020 we will also be welcoming back Mavis and Imogene who will be returning to SFS after maternity leave. We look forward to the return of these two wonderful teachers.

Appointment of Principal at St Kevin's

A message from Fr Desmond Moloney

"I am pleased to announce that the new Principal of St Kevin's School from Term 1, 2020 will be Mr Jason Micallef. I am very grateful to Simon Fitzpatrick, the Regional Consultant, and his colleagues in Catholic Education Melbourne, and indeed all members of the Principalship Panel responsible for recommending to me. Jason, who is currently the Principal of St. Mary's School in Hastings, has a familiarity with the local area having taught in nearby parish schools. I acknowledge with great gratitude the wonderful leadership of Mrs Anne Marciniak (Acting Principal) and Ms Belinda Rowlands (Deputy Principal) and the excellent work of our staff. We congratulate Jason and look forward to working with him and the St Kevin's staff to support our parish and both schools." Fr Desmond Moloney

Video Production

Next Thursday 28th November we will be filming for our school video. We ask that children come to school in their summer uniform if they are in LS1 and LS2 and their sport uniform if they are in LS3.

We invite parents to come and be part of the video by joining us for morning gathering and staying for a cuppa in the community room. If you do not wish your child to participate please let your child's teacher know and ensure your Care Monkey eform is complete by Monday.

The video will be completed ready to launch as part of our 10th Anniversary celebrations in 2020.

This is important so that when groups are organised we do not include your child's name, so as not to affect other children who have requested them in their learning space.

At this stage, we have a number of new children from Years 1—6 moving to our school in 2020.

We continue to receive requests for places and do not want to deny a child a place if we have a vacancy.

Your support is greatly appreciated to help us in our preparation for 2020.

Mobile Phone Policy and Smart Devices

Our St Francis de Sales Mobile Phone Policy has been updated is available from the School Office. We understand that at times parents of children who walk to school, wish to keep in contact with them before and after school for safety reasons.

The policy explains ways we can do this and also ensure the safety and privacy of students during school hours and during school activities and events such as excursions, camps and discos.

Please read the policy that has been ratified by the School Advisory Board. Students who need to bring a mobile phone to school need to complete an 'Application for Student use of a Mobile Phone.' They must agree to abide by the school code for the use of the mobile phone which includes handing the phone to the office switched off and collecting it at the end of the school day. With the support of all parents and staff, we can ensure a culture of safety at St Francis de Sales that protects all our children.

Tiny Tots afternoon

Monday, 2nd December

These afternoons are loaded with heaps of fun!

We have games like:

- ♦ A big scavenger hunt
- ♦ Pin the tail on the donkey
- ♦ Simon says
- ♦ Singing
- ♦ Red light, Green light
- ♦ And many more

We've had so much fun with the tiny tots so far, special thanks to Mila for coming to HEAPS of our afternoons.

For our next few weeks we will be leading up to Christmas with heaps of fun things planned.

We hope to see you soon!

Lord, remember me when you come into your kingdom.

Luke 23: 35–43

Associated with Jesus' passion, this coming week's Gospel brings us to the scene of the crucifixion. Jesus, on his own cross, is flanked by thieves on either side. One of the thieves jeers and taunts Jesus calling him a king and wondering why a king cannot save himself and them as well. Jesus responds telling the thief that his royalty is not like that of earthly kingdoms. He has no material wealth or armies. The second thief asks Jesus to remember him when he comes into his kingdom. We know today that he is with Jesus in heaven.

Today's children are not considered outcasts, but if you ask most children, they'll tell you they don't think adults really value their opinion. Jesus always reached out to the people that society generally found unimportant and that is a good thing for us to remember as parents. Even while he hung on the cross, Jesus preached the Good News to the criminals hanging with him. Sometimes we find ourselves living, witnessing, and teaching the Gospel message to our children even when the majority view is different. Jesus' words in this week's Gospel give us the courage to share our faith with our children even when society doesn't count their input for much and even when the Gospel message is not the majority viewpoint.

This week, share ideas with one another about what a king is. What does a king do? What might his responsibilities be? How would a king care for his people? Consider the ideas shared by your family and see how they fit the image of Jesus as King. How are they different?

Trusting in His care!

Year 6 Graduation

On **Thursday 12th December** the Year 6 children will gather at 7.00pm in Learning Space 3 for their Graduation Mass.

This is a time for them to gather and celebrate the time spent as part of the St. Francis de Sales School community and all that lies before them as they move into Secondary schooling.

We look forward to sharing this mass with ALL students in Year 6 who will be moving on to secondary schools next year. We celebrate with our Parish and our Parish community prays for their success in their transition to secondary school and gives them their blessing.

Following the Mass a light supper will be provided to celebrate our 2019 Graduates.

End of Year School Mass

On **Wednesday 18th December**, we will gather for the End of Year School mass in Learning Space 3. This mass will begin at 9:30am and will give us the opportunity to celebrate and give thanks for all that we have shared throughout the year.

Carols

Following Mass on **Wednesday 18th December**, we will then gather for our yearly Carols. This will commence at 11.00am in Learning Space 3, where the children will tell and sing the 'The Birth of Jesus'.

School then finishes at 1.30pm.

*It is that time of the year where we need keep an eye on the calendar,
as there is so much happening and as usual we feel, so little time to do it all in.
Please mark these key dates and join with us wherever possible.*

Year 5 / 6 Social Justice Team—Mini Vinnies

Christmas Appeal

This year the Mini Vinnies are organising the Christmas Appeal to assist the Hampton Park St Vincent de Paul Conference. We are asking each child to bring in an item for their home group hamper. Children will be given a tag on Monday or Tuesday with the item they need to bring listed.

We will also have the Christmas Trees up in the hallway and LS3 with tags that have children's age and sex listed. Students are not to take a tag. They must have a parent or adult with them to collect tags. They can then purchase a gift, wrap it and put the tag back on the gift which is placed back under the Christmas tree.

Don't forget this year students will be given points for their Houses for the hamper items and presents they donate. These points will go towards the St Francis de Sales Community Spirit Award.

Giuliana & Mini Vinnies

LS1 JUNIORS ORIGAMI STALL

The Juniors from LS1 learnt how to make origami during writing clinics. Stanford, Ashton, Aidan N, Denis, Lucas N, Joshua and Advait have made many origami items such as:

Boats, ninja stars, paper cups, claws, paper planes, reindeer, frogs

There will be a stall that will run on **Wednesday 27 November at 8.30am** in front of LS1 and LS3.

Items will be on sale for a donation of 50 cents.

The boys would then like to donate this money to the Mini Vinnies Christmas Appeal.

BeYou

BeYou is a framework for educators to use to help promote positive mental health.

This week's fact sheet from the **BeYou** website is all about transitioning. It is such a busy time of the year and many of our children are looking ahead to next year with either starting secondary school or moving from kinder to Foundation at school. It is a very exciting time but it can also be very difficult for some children.

Transitions are defined quite simply as change

They are a period where we must adapt to new circumstances, expectations, people, environments or routines. Whether big or small, transitions are a significant part in children and young people's lives, as well as the learning community.

Children and young people may also experience transitions in their home life – for example, moving house, going on holiday, the birth of a sibling, family separations and bereavements.

Transition is not just about the first day – it's a process that happens over time.

It begins as families and educational settings start to prepare during the previous year, or even earlier. It continues as children and young people experience their first days, weeks and months in their new environment.

Transition from home and between education settings involves various key changes for children, young people and families, including:

- the physical environment (for example, the size of the outdoor areas, buildings, the location and types of toilets, the number of other children, young people and educators)
- rules and procedures (for example, more structured times for attending class, eating and going to the toilet, rules for different places and times such as the classroom and recess)
- relationships (for example, meeting new children, young people and adults, responding to students of different ages, leaving established relationships with educators, getting to know a range of educators for different subjects)
- learning (for example, more formal learning experiences, structured times and set tasks, increasing independence and responsibility).

Student Well-Being

Encompassing: Student Engagement, Student Connectedness, Classroom Climate, Inclusion and Prevention to Intervention.

Seasons for Growth

What does it do? Seasons for Growth aims to strengthen the social and emotional wellbeing of children and young people who are dealing with significant life changes by:

- Exploring the impact of the change and loss on everyday life
- Learning new ways to respond to these changes

Who is it for? Anyone who is living with the effects of change and loss. Many factors can cause change such as:

- Friends can come and go
- Loss of someone or something you love
- Parents and families separate
- Moving to a new place
- Impact of

illness • Family work-life changes Change affects everyone differently, as does grief. It's the impact of the change, not the event itself that Seasons for Growth focuses on. We suggest that anyone affected by bereavement wait 6-12 months before participating in a Seasons for Growth program.

I will be retraining as a Season's for growth companion next week, and we will be offering the program to children in term 1 next year. Please contact me at school rlenko@sfslynbrook.catholic.edu.au if you feel that your child would benefit from being involved in this program.

P&F Committee 2020

We had the P&F AGM on Wednesday and are very proud to announce 2020's P&F executive committee:

President: Elena Senise

Vice President: Courtney Thursfield

Treasurers: Shivanthi Perera & Mandy Admiraal

Secretaries: Raquel Netto & Lourdes Iape

We also have a wonderful team of general members....HOWEVER we would dearly love MORE general members. All those parents and carers that help out at the various events throughout the year – we want you!! New parents / carers who have foundation / prep students starting in 2020 – we want you!! Current parent / carers who have always wondered what the P&F is all about – we want you!!

Anyone who cares about the school and its students.....WE WANT YOU!!!!

We understand life gets busy, you are not expected to commit to attending every monthly meeting, you are not expected to volunteer at each event. You help out when you can, in whatever capacity you can. It is that simple. Many hands make light work. What we want is a good mix of new general members to bring new ideas and fresh perspectives and help make a difference to our schooling community.

Without the P&F the school would not have tens of thousands of dollars it gets each year through fun raising efforts and the students would not get to enjoy all the awesome activities such as fun lunches, Easter and Christmas festivities, icy pole / chips Friday etc. So please, please, please do get involved. We are a welcoming bunch of parents – just like you! You will enjoy the support, friendship and laughter as we come together with the common goal of helping our school and the students.

We would also like to take this opportunity to thank those committee members who have supported the P&F over the years and who are now leaving as their children move onto high school next year. We wish them and their families all the very best for their next chapter.
