

Dear Parent or Carer,

The period of remote learning has been a challenging time for us all, but despite the major disruptions to normal activities, there will be many valuable lessons derived from this period that we as a school, and the system, wish to take forward.

Below is a link to an optional survey in order to help capture the learnings from the remote learning period.

The surveys are designed to be a quick capture of learnings while the experience is fresh, and are not designed to capture every aspect of schooling during the lockdown period. Your feedback will be valuable in learning from the experience and improving education outcomes. More about why we should capture learnings at this time ([from Dr Simon Breakspear, Agile Schools](#))

Here is the link to the survey. It is expected the survey will take approximately 10 minutes to complete.

Thank you for taking the time to contribute to our learnings as a school and education system.

Regards

Principal
